HON, C. J. FREDERICK.

Those who are regular readers of the proceedings of the Legislature can not fail to observe that Tippah's representative is no idle drone among the State's law-makers.

Mr. Frederick is quick, active and vigilant, and does not fail to act through fear of making a mistake. Of course it is possible he will make some mistakes, but in the main he is right, and will render much valuable service to the State. We admire his fearless action in the discharge of his duty .-- [Ashland Register.
